SIENA

by Drexel

Pure, classic Italian is spoken here —in the Siena collection by Drexel—just as it was spoken in the city of Siena, once one of the great cultural and artistic centers in Italy. Today, the medieval city of Siena is a living museum of the art of the Renaissance.

The fine Italian hand of the Renaissance craftsmen has inspired this complete and richly decorative collection of bedroom, dining room and occasional furniture. The authentic baroque detailing is painstakingly reproduced by the modern Drexel craftsmen. Siena features the shapes, sizes and finishes of the most expensive Drexel collection at the most attractive prices.

The pin knotty walnut veneers with Andiroba and other selected hardwood solids are double-bleached and finished in excess of 20 steps to achieve a lustrous deep brown. A brush white custom finish is available on maple veneer and selected hardwood solids, double striped in light green and yellow. Headboards and mirrors may be ordered in a gilt finish. The overlays and decorative details are made of Drexothane®. The fruitwood finish tops on the Bedroom furniture are protected with Urethanium; the Occasional and Dining Room furniture with Drexelguard. The Siena collection is designed for sophisticated moderns who cherish the great tradition of the Italian Renaissance.

Drexelguard is a protective coating (a combination of synthetic resins) that is stain, burn and mar resistant. It keeps its luster with or without polishing.

Drexothane® is the mark of modern technology making possible design motifs heretofore impossible except in one-of-a-kind pieces. A high density rigid urethane cellular material developed by Drexel to provide a new freedom for design.

Urethanium is a new super lacquer totally immune to damage by soaps, alkali detergents and household cleaners. Excellent resistance to more than 30 household stains.

For a complete booklet set of Drexel's many furniture styles, send $1.00 to
